Post Activity

In the theory hours of teaching practice, students' lesson plans are examined. Students are asked the following questions:

1. Do you have a problem while planning your lesson?
2. Do you have a plan while teaching?
3. Does your plan work as you wish?
4. How do you criticize your teaching?
5. What is good/bad/effective/ineffective/missing in your teaching?
6. What is the feedback of your classroom teacher?
7. What is the feedback of your peers?
8. Do you have any problems with classroom management? How can it be solved?
